

Barnet Architecture Awards 2017

How to enter

DELIVERING FOR **BARNET** ARCHITECTURE AWARDS 2017

Well designed buildings and open space enhance our quality of life.

In recognition of this, Barnet Council in partnership with Re is launching the Delivering For Barnet Architecture Awards 2017.

Have you been involved in completing a new building, an alteration to an existing building or public space that is of high quality design and positively contributes to the borough?

Entry criteria

- The project must be located within the London Borough of Barnet
- The project must have been completed between 1 September 2014, and be in full use by the closing date for entries on 15 September 2017

Entries can include:

- Residential alterations: including extensions, refurbishments, conversions or restorations;
- Non-residential alternations: including extensions, refurbishments, conversions or restorations;
- Residential new build (10+ units)
- Residential new build (under 10 units)
- Non-residential new builds:
- New or improved public open spaces: including new pedestrian routes, parks, gardens or play areas that include structural design elements.
- Heritage and conservation
- Civic Project

Making your entry:

Entries to be submitted using the Entry Form and be accompanied by a location plan with no more than 3 photographs including external and internal images (if relevant).

In no more than 500 words, you will need to provide a full description of the project explaining:

- why the project is of high quality design
- how it positively contributes to the existing built environment
- how your entry contributes to health and wellbeing in the Borough
- details of any innovative techniques used in its construction

All entries must be received by 5pm on Friday 15 September 2017.

Entries to be submitted via architecture.awards@barnet.gov.uk

After your entry has been received

- We will confirm receipt of your entry
- A summary of your entry and supporting photographic images will be displayed on the Barnet Architecture Awards web-page. www.barnet.gov.uk/architectureawards
- The Judging Panel will short-list entries in mid-September
- All shortlisted entries will appear on the website and entrants advised accordingly
- The Judging Panel will undertake site visits to each of the shortlisted sites
- Winners will be announced at an awards ceremony on 21 November

Barnet Peoples' Choice Award

In addition to the Judging Panel's decision, residents of Barnet will have the opportunity to vote for their favourite shortlisted project, to decide the 'Peoples' Choice Award'.

The winners of the Peoples' Choice Award will also be announced at the awards ceremony.

Voting will open in mid-September.
