

Oversubscription Criteria for Admission to Community Infant and Primary School Reception Classes in 2018

Offers of places at the preferred community school(s) will be made unless the number of applicants for the school(s) in question exceeds the relevant admission limit(s). When a particular school is oversubscribed, the following criteria would be applied, in order, to allocate the places available.

1. 'Looked after children' and children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been 'looked after' (see Note 1)
2. Children who the Director of Education & Skills accepts have an exceptional medical, social or other need which the school is particularly able to meet (see Note 2)
3. Children who, at the time of admission, have a sibling living at the same address who already attends the school, or the linked school in the case of separate infant and junior schools. Siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant
4. Children of teaching staff of the school where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and will be in employment as a teacher at the school when the child starts school.
5. Children living within the individual school's defined area, with priority given to those who live closest to the school when measuring distance in a straight line (See Note 3)
6. Children living outside the individual school's defined area, with priority given to those who live closest to the school when measuring distance in a straight line (See Note 3)

Note 1

A child looked after is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. An adopted child is defined by section 12 of the Adoption Act 1976 and section 46 of the Adoption and Children Act 2002. Child arrangements orders are defined in Section.8 of the Children Act 1989, as amended by Section12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. A special guardianship order is defined by section 14A of the Children Act 1989.

Note 2

Applications made under this criterion must be supported by a current letter from a doctor, social worker or other appropriate professional. The letter must name the school and specify the reasons why the particular school is most suitable for the child and the difficulties that would be faced if the child attends an alternative school. Information not provided at the time the application is submitted may not be considered at a later date.

Note 3

A map showing a school's defined area may be viewed at the school. Distance is measured in a straight line between the address point for the child's home, supplied by Ordnance Survey, to the school's main gate (unless specified otherwise) using the Council's computerised geographical information system.

Tie Breaker

Distance will be used as a tie-breaker within each category.

Final Tie Breaker

Applicants from the same block of flats, or applicants who live the same distance from the school will be selected in random order and places will be offered accordingly.

Applications on behalf of Twins or Triplets (Multiple Births)

If only one place is available at the school and the next child who qualifies for a place is one of multiple birth siblings, we will ask community schools to go over their

published admission number to support the family. These children will be deemed as 'excepted' pupils under infant class size legislation.

Request to delay entry to school (known as deferred entry)

Children reach compulsory school age at the beginning of the term following their fifth birthday. Parents of children below compulsory school age may defer their child's entry to a Reception class school until the later in the school year. However, a Reception class place should be taken up by the start of the summer term. If parents want their child to take up a Year 1 place in the following academic year a fresh application must be made.

Requests for admission outside the normal age group

Children are educated in school with others of their age group, with the curriculum differentiated as necessary to meet the needs of individual children. However, parents may request that their child is exceptionally admitted outside their age group, for example if their child is gifted or talented or has experienced problems such as ill health. As the admissions authority for community primary schools, the local authority will decide whether or not the individual circumstances make this appropriate on educational grounds and in the best interests of the child. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely

Parents seeking admission to an age group below the child's actual age should submit their request in the September of the year before the year when children of the same age are due to start school **and** submit a 'Request for Deferred Entry' form.

Summer-born children

Parents of a summer born children may choose not to send that child to school until the September following their fifth birthday and may request that their child is admitted out of their normal age group – to reception rather than year 1.

If parents wish to apply for their summer-born child to join a Reception class, instead of Year 1, in September 2019, they must complete an application for Reception 2018 **and** submit a 'Request for Deferred Entry' form. Summer-born children are those born between 1 April and 31 August.
